PRIDE CLASS DESCRIPTIONS

The primary skills are described below for simplicity, but many additional skills are trained at each class.

➔ AGES 6 and up are welcome at all levels unless noted. Ages 3-5 start in Little Explorers.

➔ Classes may be split further or joined together by age or difficulty within each time slot when it is beneficial.

OPEN GYM: *Ages 6 and up only please.* Fully supervised; multi levels; class size varies.

- Attend as an extra class for $10. You do NOT need to pre-register, but please be informed of days off.
- Sign-in upon arrival. New students must fill out a waiver at the gym.

MAKE-UPS:

- Ages 6 and up: ***Use Open Gym as a make-up*** so you never have to lose a class that you miss
- Ages 3-5 may take a corresponding class of the same level to do a make-up. Please notify the office.

LITTLE EXPLORERS: A fun class for preschool tumblers **ages 3-5; (45min)**
This class works to enhance body awareness and learn fundamental tumbling skills with proper body positions. Trampoline, bar, balance beam, and mat stations. Themed classes for fun and interactive learning.
Start good habits at a young age!

KINDER-INTRO: This class is great for new tumblers from **ages 5-7** but allows our Little Explorers who have experience to progress to an hour-long class. Learning proper shapes and technique for bridges and backbends, cartwheels, rolls, headstands, and other basic tumbling strengths that will provide the foundation for great tumbling!

INTRO: This class is great for NEW tumblers from ***ages 7 and up (younger students should seek out our Kinder-Intro class)***. Learning proper shapes and technique for bridges and backbends, cartwheels, rolls, headstands, and other basic tumbling strengths that will provide the foundation for great tumbling!

BASIC I: *Must have perfected a cartwheel, forward roll, and press up to backbend with proper technique.* Continuing work on standing backbends, roundoffs, handstands, backward rolls, backbend kickovers, and front limbers

BASIC II: *Must have a perfected standing backbend kickover and front limber.* Progressing to fluid front and back walkovers, roundoffs, handstands, back extension rolls, and an introduction to drills for back handsprings.

INTERMEDIATE: *Must have a perfected back and front walkover.* Learning front and back handsprings, creating powerful roundoffs, and continuing to roundoff back handsprings.

ADVANCED: *Must have a perfected standing and roundoff back handspring.* Learning connected tumbling skills, standing multiple back handsprings, roundoff multiple back handsprings, front and back tucks, and roundoff bhs tucks.

ELITE I: *Must have a perfected roundoff bhs tuck and front tuck.* Learning standing back handspring back tuck, standing back tuck, round off back handspring layouts, and specialties such as front tuck step outs!

ELITE II: *Must have a perfected roundoff back handspring layout and standing tuck.* Learning twisting skills, such as fulls and doubles. Learning specialty skills, such as whips and arabians.
